

**Brown - #3 – (south of Cap-Haitien)  
Sacre Coure Hospital  
Milot, Haiti**

**Sacre Coure Hospital is a well established Catholic Hospital in Milot and regarded as the best hospital in the northern sector of Haiti. The laboratory is managed by a personal friend of mine, Sister Marie Vittetoe. Marie and I are in regular communication with one another and share ideas and experiences. Randolph World Ministries, Inc. has provided laboratory materials to Sacre Coure on many occasions.**
